## COVID

Connor can't understand why his father is so depressed after his grandmother dies- it has been months.

**John Wilkes Booth's letter of confession... Abraham Lincoln's funeral... Services at New York churches & synagogues...**

Grandma had an affair with an American pilot during WWII and Connor's dad was the result. Bowling also directs his wife, Lucretia, on what type of crop to plant.

## **Yankee in Canada (1866)/The Last Days of John Brown**

She mentions raids conducted by the Union army under General Philip Sheridan and General Robert E.

## **Yankee in Canada (1866)/The Last Days of John Brown**

Photocopies, carbon copies, photographs, and photonegative. He also describes combat involving Union troops and gunboats against Confederate troops on the south side of the James River. An appendix at the end of the narrative contains transcripts of letters of commendation for military service and a letter from the Haw family who cared for Brooke when he was wounded at the Battle of the Wilderness.
