### From Reform to Revolution

I don't feel particularly revisionist, but.

### Reform or revolution

It remains to be seen how such changes could also impact on merger control. Supposedly a Marxist classic, although it's hard to see why. .

### Social Reform or Revolution?

Beyond that, the reader has to figure it out. Any such attempt will face the risk of either abandoning the lessons of past revolutions to embrace an opportunistic road, or sticking blindly to abstract principles and degenerating into an isolated sect with no influence on the real processes of class struggle. There are clearly some parallels with the approach adopted in these cases and mergers in the digital sector.

### Reform or revolution

The way she describes the mass strikes and how the political parties and trade unions should deal with it sounds like a lesson that should've been heard during the Occupy protests, the 2013 protests in Brazil and more recently with the Gilets Jaunes in France.
