## Culture of Indonesia

In Eastern European Orthodox Christianity and traditional Catholic contexts, there are two religious perspectives on suffering. In many places, people of one religion may acknowledge the holidays of another religion with visits or gifts.

## Cultural and Social Considerations —

In 2007, there were 288 deaths per 100,000 births.

## Social Psychology and Influences on Behavior

Any opinions or views expressed in this paper are those of the individual author, unless stated to be those of Future Directions International. In this effort the government has received considerable support from the World Bank, United Nation agencies, foreign governments, and private foundations.

## Herbert Spencer's Theory of Social Evolution (Explained with Diagram)

Indonesian Religions in Transition , 1987.

## Indonesian Social Evolution: Some Psychological Considerations

Like physical evolution also in social evolution there is a movement from simple to complex.
