Senate Bill 934, drafted during the 2000 Legislative Session, which provided some guidance.

Handbook on Antitrust Aspects of Standard Setting, Second Edition

My experience tells me that, every time a major new procedural rule is adopted, the district courts of appeal spend years hearing appeals in an attempt to interpret, and give texture to, the new rule.

Antitrust Litigation

At the time of the meeting each party is responsible for having secured three confirmed dates for its expert witnesses. The Task Force spent a considerable amount of time discussing the pros and cons of complex court divisions and business courts. No additional experts may be named unless good cause is shown.

Management of Complex Civil Litigation

The Definition Subcommittee discussions focused on how to properly identify complex cases. Before each of those conferences, self-represented parties or the attorneys for the parties must meet to frame the issues, consider whether such additional conference is unnecessary and be prepared

to advise the court accordingly.

Antitrust & Competition

The bill defined the following filings as complex: antitrust claims construction defect claims involving multiple parties; shareholder derivative claims; environmental or toxic claims involving multiple parties; mass tort claims; claims involving mass class actions; and insurance coverage claims arising out of any claims listed above. Enforcing the requirement that attorneys file the form with the clerk of court will assist in the requirement that the clerk comply with the reporting requirements in §25.

The Firms That Handle The Most Antitrust Litigation

Mitchell Berger Berger Singerman Fort Lauderdale, Florida Mr. The coordination and implementation of the recommendations that follow present a significant challenge for the court system. A deadline for the filing of a final list of witnesses and exhibits that will be used in the trial.

Beyond Maturity: Mass Tort Case Management in the Manual for Complex Litigation on JSTOR

Our antitrust appellate lawyers are widely recognized as the best in the United States, having argued or briefed nearly every significant antitrust case to reach the US Supreme Court during the past decade. Subcommittee members believed that judges with extensive experience in civil matters are in the best position to determine whether or not a case is complex.
