## The Whole Film Sourcebook

The first of these is in line with the Mithraic conquest of the Bull; the Lion is of course one of the most prominent constellations of the Zodiac, and its conquest is obviously the work of a Saviour of mankind; while the last four labors connect themselves very naturally with the Solar conflict in winter against the powers of darkness. . It matters very little, since the tendency in these late Hellenistic days was for the identities of gods, all of whom were beginning to take on the character of a solar deity, to become merged with one another.
