Definition of Management

Nothing on this site shall be considered a solicitation to buy or an offer to sell a security, or any other product or service, to any person in any jurisdiction where such offer, solicitation, purchase or sale would be unlawful under the laws of such jurisdiction and none of the securities, products or services described herein have been authorized to be solicited, offered, purchased or sold outside of the United States of America. The leader is not asking the follower to do something he is not willing to do himself. The Nature of Managerial Work Page designed by Shikha Sharma.

What is Management?

Planning means looking ahead and chalking out future courses of action to be followed. If you look up the dictionary definition of management, among many examples you will find clues as to the real definition of management. The definition goes on to talk about how management is responsible for measuring details that may not be required presently, but may be useful later on.

The Management Trust

This implies that, for management to be effective, there needs to be some type of defined approach or system in place. The second definition divides management up into five components.

Contact Us

This definition stresses the activities that are necessary for reaching particular goals.
