Articles

Indexes journal articles 1967-present , dissertations, conference proceedings and book chapters 1987-present.

ATLA Religion

Clergy, seminarians, and study groups will find that the journal contains scholarly but practical help with exegesis of the readings, reflections on the texts, and sample homilies. Used as a valid value in the ATLA Religion product code and record stream indexes and ATLAS record stream indexes.

Finding Articles

Given name A name before a family name; a first name or forename.

University of Arkansas Libraries, Fayetteville / All
