## Planning & Zoning

Check with us before beginning any project to determine what, if any, permits you might need. For More Information For more information on permits, development activities and to access online application forms and brochures, visit our , or contact the Permit Center at the Department of Transportation and Land Services. If you have any questions, call us or stop in.

## Land Services

How do I get a building permit? Douglas County, like all local jurisdictions, requires permits for construction and land use activities. Additional Responsibilities The Land Services Division is responsible for the local implementation of a myriad of state and federal mandates affecting lands in unincorporated Douglas County.

## Land Use & Development Ordinance

If you have an existing permit and would like to check its status try our.

## Building Construction Information

Permit processing can take a minimum of fifteen 15 business days to be mailed out after it has been reviewed, approved and paid for.
