#Analysis

Racial and Ethnic Conflicts: A Global Perspective

While immigrants often , nonimmigrant minorities generally adhere to their traditions, especially if they are easily distinguished from the rest of the society by tangible traits such as physical markers.

Ethnicity, Conflict, and Inequality in Global Perspective

The previous link reports that there was a 60% increase in discrimination of Muslims in the USA. Journal Information The Social Science Quarterly was founded as the Southwestern Political Science Quarterly in 1920. The nature of the discussions bear a clear racial dimension as well as hostility to Eastern Europeans, such as those from Poland.

Varieties of Ethnic Conflict in Global Perspective: A Review Essay on JSTOR

Those include shared historical experiences and memories, of common descent, a common ethnicity, and a link with a historic territory or a homeland, which the group may or may not currently inhabit. In the absence of a unified civil law, such discrimination will continue she adds: The Lebanese legal system follows different rules of law that vary from one community to the other. Mobilization of ethnic identity and ethnic nationalism is a powerful tool to engage the group in a political struggle.

Racism— Global Issues

Many expected that industrialization, urbanization, and the spread of education would reduce ethnic consciousness, and that universalism would replace particularism
