**Girl with a Camera: Margaret Bourke**

Keep reading before you form an opinion.

**highest standard of living. There's no way like the American 1937**

Filesize: 59.1010 MB

Despite a lack of encouragement by her peers and a marriage at a young age, Peggy, was instead able to become rich and famous from her work as a photographer through perseverance and a few lucky breaks. Without each one of their contributions, our world wouldn't be the what it is today.

### Recommended 6th Grade Reading List

Reading of her efforts to break into the field, the way in which she was treated as a young girl who didn't know her own mind or what she was doing, creates a frustration that is a pale reflection of what she herself must have felt.

### Louisville, Kentucky, January 1937

The ability to write is the ability to stack ideas on top of one another in a coherent, organized way. Living in Hollywood, I learned that money can't make you nice, or kind.

### The Significance of the Idea of the American Dream linked with

As a reward, Margaret became one of the most well-known photographers in the world, always first in line for a good shot, even if it meant putting her life at risk.

### Louisville, Kentucky, January 1937

Beowulf: a Tale of Blood, Heat, and Ashes by Raven is nowhere near as muddled and complex as the actual narrative of Beowulf. I had turned the corner to the main road stoplight to continue my investigation.
