Race, racial threat, and sentencing of habitual offenders. The movement's leaders have lobbied legislators and are continuing legal fights against the intransigence of the chemical companies.

Legitimizing Racial Discrimination: Emotions, Not Beliefs, Best Predict Discrimination in a Meta

S Bureau of Justice Statistics. Virtue cultivation must, I argue, occur on two broad but interrelated fronts: first, the direct retraining of more automatic and unreflective patterns of thinking, feeling, and reacting to epistemic social reality, and second, the cultivation of more reflective, metacognitive virtues, such as the ability to swiftly identify contexts in which our first-order epistemic intuitions are likely astray.
