This process has allowed for public review and comments. The Major Thoroughfare Plan as presented here is not a legal document. The intent of scenic routes are to protect property values and the character of neighborhoods; protect and enhance the unique character of a community, including vegetation, architecture and geology; protect and enhance the economic value of tourism; and protect natural resources.

## Major Streets and Scenic Routes

This Plan will analyze the projected transportation needs for the unincorporated county over the next 25 years. Click the links below to view the updates City and County versions to each plan.
