Can Britain's reigning House of Windsor fall?

George VI died from a coronary thrombosis on 6th February 1952 at Sandringham House in Norfolk.

House of Windsor

In the years of rapid decolonization which followed 1945 it became clear that this elaborate constitutional infrastructure posed significant problems for British foreign policy. Understand this: It was this multitude of nations that preserved the freedoms of the Western world for 200 years. It traces how, in the early part of the twentieth century, the British government promoted the Crown as a counterbalance to the centrifugal forces that were drawing the Empire apart.

Monarchy and the End of Empire: The House of Windsor, the British Government ...

The Headship of the Commonwealth also became a cause for concern, partly because it allowed the monarch to act without ministerial advice, and partly because it tended to tie the British government to what many within the UK regarded as a largely redundant institution. His sons, all of them, were killed before his eyes, then his eyes were put out, and he was held prisoner for the rest of his life Jeremiah 52.
