A truly amazing museum, and really worth seeing.

## The ancient city

All pages of text are present, but they may include extensive notes and highlighting or be heavily stained.

## Vergina: Where Proof of Macedonia's Greek Origin Was Uncovered

For once upon a time Vergina was known as Aigai, the first capital of ancient Macedonia.

## What to see at Vergina Tombs

It is not for me to say if I have achieved what I set out to do.

## What to see at Vergina Tombs

The museum is very beautifully organized with a clear route to be followed, detailed information both in Greek and English. He was a member of numerous scholarly societies, including the Archaeological Society of Athens, the German Archaeological Institute of Berlin and the Society for the Promotion of Hellenic Studies in London. He found a golden box the larnax within a marble sarcophagus with the symbol of the Greek Macedonians, the Vergina Sun, depicted on top.
