### 1990 Checklist (annual cumulation): NYS Document Depository Program: New York State Library

Any person who discharges firearms of any description or name within the limits of the city; or any person who discharges any air rifle, air pistol, or any one type of the class of weapon or arm known as BB gun or air gun within the city; or any person who fires, discharges, explodes, or who sells, gives away or offers for sale any bombs, firecrackers, Roman candle, pinwheel, skyrocket, or any combustible or other article or fireworks of like nature within such limits; or any person who discharges or explodes powder or other combustible under an anvil, or in any other manner, to the disturbance or annoyance of the inhabitants of the city, or the persons upon the streets, thoroughfares or public places in the town, without special permit in writing, obtained from the chief of police for that purpose, which permit shall designate the place and the time of firing or discharging, and the number of discharges authorized a copy of which permit shall be filed by the person obtaining it with the city clerk at least two hours before the time such firing is authorized , is guilty of a misdemeanor. Amended by Laws 1998, c.

### Airgun Laws & Ordinances

During phase one, the Council will include representatives from both the private and public sectors, including the private and healthcare and hospitals, public agencies, elected officials, non-profit organizations, and the business community.

### Jane Jacobs on freeways

A third aircraft involved in the mission returned safely to the base.

### Federal :: Direct Grant Programs, State

These groups, in turn, helped push legislation that allowed States to turn over Federal highway funds for mass transit projects.
