## Wigwam Western Summit

She warn't much given to smiling after that. The latter determined to be his companion, and he was farther accompanied by the sheriff's officer who had arrested the suspected felon. At length, just as he had returned to the fire, the sound of a horse's feet was heard, and a sharp quick halloo from Grayling informed his uncle that all was right.

## The wigwam and the cabin (2012 edition)

Enjoy all the joys of camping but with the luxury of a warm, comfortable and cosy Wigwam Cabin! But for that ghost, Macnab would have got off to Scotland, and probably have been living to this very day on the money that he took from the person of the poor major. The same precautions marked their encampment this night as the last, and they rose in better spirits with the next morning, the dawn of which was very bright and pleasant, and encouraging. The appearances of the white settler, some doubtful glimmerings of a more civilized region, were beginning to display themselves.

## William Gilmore Simms, 1806

The Scotchman stretched himself with little effort before the fire; while Joel Sparkman, wrapping himself up in his cloak, crouched under the wagon body, with his back resting partly against one of the wheels.

## The wigwam and the cabin (2012 edition)

As the temperature plummets, our season is just heating up! It was some time after the peace before he got better of his hurt, though the Indians are naturally more skilful in cures than white men. Please DO NOT smoke inside the cabins. But who's in your wagon? All single right and left quotation marks are encoded as ' and ' respectively.

## The wigwam and the cabin : Simms, William Gilmore, 1806

Nor was this all in the shape of unwonted comforts. He had got quite well of his hurts.

### **The wigwam and the cabin (2012 edition)**

At length, the keen eyes of James Grayling detected, amidst a heap of moss and green sedge that rested beside an overthrown tree, whose branches jutted into the pond, a whitish, but discoloured object, that did not seem native to the place.
