The Best Gardening Books for Your Bookshelves

Which approach is right for you? Garden designer Nan Sterman will help you bring bright color to a low-water garden. AUTHOR BIO: One of the most widely regarded and consistently innovative voices in garden design, John Brookes has been writing best-selling garden books. With advice developed during his 40-year career as a master gardener, detailed, vivid photography, and annotated instructional sketches, John Brookes demonstrates how you can transform any garden into a Well-Designed Garden. Whether you're looking for interior inspiration for your new home or wanting to declutter and tidy up your space, we've got a curated selection of books on home decorating and organizing.

The 10 Books Every Gardener Should Read

As a beginner to landscape design, there may be no better book to get. Further, more than 100 basic gardening terms are defined throughout the text, ensuring you feel confident when you head out into the garden.

Best gardening books to buy

A true must-have for passionate gardeners.

11 Garden Planners and Programs

Pick this book up if you want a full understanding of landscape design and its implications on our society. Entering them is like entering a home; you are wrapped in a particular environment that is very different from the world outside. They have the distinct advantage of being available for perusal year-round.
