Unbeknownst to him, however, she would at times disappear from the fort, but for what reason is unclear.

Taira no Masakado

They made contact at the border between Hitachi and modern with Masakado, who went there to verify reports about a plan to launch a joint attack on him from the north. The first of these is the formal worship of his spirit at Shinto shrines dedicated specifically to him. Deification When Masakado was preparing for his revolt, a vast swarm of butterflies appeared in Kyoto, a portent of the upcoming battle.

Taira Masakado

It is unlikely, however, that any of these events ever occurred in reality. Takamochi's sons who joined him there occupied a variety of provincial offices in the eastern part of the country such as that of "", the of the defense garrison "chinjufu" in tasked with subjugating the of the north. Within a month, however, the court issued edicts calling for the apprehension of Masakado and commanded several notable warriors for this task, including his cousin Sadamori and Fujiwara Hidesato, his former ally.
