Partisan or Neutral?: The Futility of Public Political Theory (Studies in Social, Political, and Legal Philosophy) (English Edition)

Besides providing a comparative study of nationalism, democracy, feminism, Marxism, and Islam, Lyman Tower Sargent also introduces readers to such ideologies as anarchism, liberation

Filesize: 49.34 MB

theology, environmentalism, fascism, and national social. The collapse of some African states and the failure of others in the 1990s injected novel themes of state crisis into comparative politics Zartman 1995. In 2007 a political analysis of American parties with the title Off Center was standard fare.

Political Liberalism

An acknowledged expert in ancient philosophy, political philosophy, and areas of formal logic, White also has both research and teaching interests in jurisprudence and its history, the foundations and history of mathematics particularly nonstandard analysis , and the history and philosophy of science from Greek antiquity to the eighteenth century. Metaphorically, then, in its origins the term person carries a trace of the willful appearance for the sake of others. Locating the Political in Political Ecology: An Introduction, Human Organization 62 3 : 205-217.

Political Liberalism

At the end of the first decade of the post-Cold War era, the most oft-recurring theme of debate among humanitarian organizations concerns the interplay between politics and humanitarian action. He argues that any such legitimating theory will be 'partisan,' in the sense of appealing to

convictions concerning the human good that will not be universally accepted.

A Prolegomenon to Political Thought

Nor are they necessarily very novel or original—originality at this point in the history of theorizing about politics seems largely a matter of subtlety and nuance, in any event. Chang, in , 2001 3 Implications of Reductive Value Pluralism Assuming that there are ultimately many values, what, if anything, of interest follows? Weiss, Political interest and humanitarian action , forthcoming.

Responses on Political Theory, Idealism, and Extremism

Substantially expanded for republication in 2004, it is both a sweeping survey of Western political thought and a powerful account of contemporary predicaments of power and democracy. At the same time, it is altogether central to understanding whether in highly politicized surroundings the ICRC can in fact remain non-political. How can one compare the luxurious, wallowing pleasure of lying in the sun and the intense, sharp pleasure of quenching a fierce thirst? In fact, the deathly silence of the Cold War on these issues has been replaced by the deafening hubbub of the Nineties.
