Tokujo Sashimi

With the emperor and his supporters now in control, the building of the modern state began. The constitution was drafted behind the scenes by a commission headed by Itō Hirobumi and aided by the German constitutional scholar Hermann Roesler.

Japan

The growing influence of imperial loyalism, nurtured by years of peace and study, received support even within the shogunal camp from men such as , the lord of domain han.

Shigeo Tokuda

In January 1868 the principal daimyo were summoned to Kyōto to learn of the restoration of imperial rule. The Meiji leaders therefore sought to transform Japan in this direction.

Tokujo Sashimi

In 1866 Chōshū allied itself with neighbouring , fearing a Tokugawa attempt to crush all opponents to create a centralized despotism with French help. Constitutional movement Many Japanese believed that constitutions provided the unity that gave Western nations their strength. In 1869 the lords of Satsuma, Chōshū, Tosa, and Saga were persuaded to return their lands to the throne.
