## Thomas Jefferson University

Jefferson mastered architecture through , using various books and classical architectural designs of the day. Isabel Sanford was nominated for seven consecutive Best Actress Emmys, from 1979 until 1985. He suggested that this history was so rich that his personal affairs were better overlooked, but he incorporated a self-analysis using the Declaration and other patriotism.

## Jefferson Financial Federal Credit Union

Jefferson appointed and to be leaders of the 1803—1806.

## The Jeffersons (TV Series 1975–1985)

In the spring of 1981, Paul Benedict left the show for a season and a half, returning in the final two seasons of the series.

## The Jeffersons (TV Series 1975–1985)

. As a naturalist, he was fascinated by the geological formation, and in 1774 successfully acquired the Bridge by a grant from George III. During his first year at the college he was given more to parties and dancing and was not very frugal with his expenditures; during his second year, regretting that he had squandered away much time and money, he applied himself to fifteen hours of study a day.

## Thomas Jefferson

Jefferson left Paris for America in September 1789, intending to return soon; however, President appointed him the country's first Secretary of State, forcing him to remain in the nation's capital.

## Thomas Jefferson University

Jefferson opposed a national debt, preferring that each state retire its own, in contrast to , who desired consolidation of various states' debts by the federal government. It completely reverses all the political relations of the U. The Act documented in 29 sections a new set of laws and limits for the military.
