His mechanical skill was again put to use during WWII when he worked for the Ryan Aeronautical Company in San Diego, California.

**Fort Ringgold and Environs, Lost Photos of Starr County Texas c. 1918.**

At that point, there were about 800 cases across the region. It sounds like a place where there would be a lot of mead drinking, archery contests and blackbird pie.

**Lost Architecture of the Rio Grande Borderlands (Nonfiction)**

Later testimony recorded the way the Rangers took advantage of their power to carry out extralegal killings in the far distant reaches of the rural border counties in the wake of the discovery of the Plan de San Diego. Brown signs for El Camino Real de Tierra Adentro help visitors retrace the original path along highways, streets, and backcountry roads.
