The Russian Avant

Sibyl Moholy-Nagy, New York: Frederick A. Its core objective was a radical concept: to reimagine the material world to reflect the unity of all the arts.

Suprematism

The Immortal World (Die Gegenstandslose Welt)

In it, Solovyov first accuses Western thinking of failing metaphysics: rather than trusting in an all-permeating spirit, it looks for pseudo-rational explanations. As with any other financial instrument in a portfolio, the artwork in a collection gains and loses value at the volatile edge between information and noise. Modern thinking, and especially the October Revolution of 1917 as an implementation of this thinking, is viewed as a precondition for the eruption of a movement that achieved groundbreaking innovations not only in fine art but also in poetry, music, theater, and science.

Harvey Mendelsohn and Frederick Samson, MIT Press, 1985, xi+315 pp.

Suprematism

The parallel development of these two forms of knowledge was the result of a process of modernization that began with the founding of St.

It was one of the first to dare to challenge the hegemonic claims of modernity.

Die Gegenstandslose Welt (The nonobjective world) by Malewitsch, Kasimir

The book was a milestone in the development of postcolonial studies, and since its publication the deconstruction of such projections has become a key concern of the discipline.
