## Who stole disarmament? History and nostalgia in nuclear abolition discourse

The Conflict Society : Reaction and Revolution in Latin America.

## Military Strategy

The crux of the discussion revealed that in 1936 Britain was unprepared to thwart an attack because of its policy of prioritizing Territorial interest. Their work was completed just in time for the end of the war, and it is an interesting question for speculation as to what would have happened if there had not been time for the actual use of these weapons.

BBC NEWS

## RAF Bomber Command

In March 1940 they calculated the of a metallic sphere of pure , and found that instead of tons, as everyone had assumed, as little as 1 to 10 kilograms 2.

## United Kingdom and weapons of mass destruction

In fact, we have reason to believe that many are willing to use nuclear weapons first in a conflict.
