## Tephila: TASKS OF A THEOLOGIAN IN AFRICA TODAY

Johnson, PhD, University of Wales Bill Kirsch, DMin, Assemblies of God Theological Seminary Douglas Lowenberg, PhD, Regent University Enson M.

### African Mythology

In this perspective, The theologian in current times has three urgent duties: It means that the theologian helps prevent society from falling into the trap of utopic religion. Many Gods are spread across different regions, cultures and tribes. Gibbs, DMin, Western Conservative Baptist Seminary Doug Green, DMin, Gordon Conwell Theological Seminary Jerry Ireland, PhD, Liberty University Alan R.

### Paths of African Theology [Review of: R. Gibellini (1997)]

On the agenda were the themes of the Second African Synod: reconciliation, justice and peace.

### Ifa Religion

Professional Associations for Theology Careers To find out more about careers in the field of theology, consult the following professional association websites: Canada United States International. AICs have also demonstrated a strong missionary tendency in that most of the spread of Christianity throughout Africa in the 20 th century can be attributed to African Independent Churches. Representatives are scholars such as Idowu and Mbiti, who gave an analysis and interpretation of the African traditional religion and point to its relation to the Christian faith.

### What is black liberation theology?

Janice found herself staring at the gray walls of a prison cell in Salisbury, Rhodesia, a group of African theologians met in Accra for a Pan-African Conference of Third-World Theologians. Ifa divination is extremely important in the practice of Yoruba traditional religion.

## **Tephila: TASKS OF A THEOLOGIAN IN AFRICA TODAY**

A conception of rights is integral if it exhibits the interdependence of basic rights and duties, and comprehensive if it comprises all basic rights and duties.
