What did not please me, however, were the numerous typographical errors; you would think that in this age of spelling checkers, we could at least be spared those! After much confusion, he finally joins a unit that is involved in a skirmish against the advancing Prussian forces.

The Charterhouse of Parma

For Quixotic at heart, Fabrizio and I had vowed never to rescind our Law of the Quest.

The Charterhouse of Parma (TV Miniseries) (2012)

Stendhal observes the court intrigue in Parma and how his aunt and her lover are involved in this drama.
