Knight's Cross: A Life of Field Marshal Erwin Rommel: Fraser, David: 9780006383840: perssongroup.materialsproject.org: Books

If I have one critique, it is that Fraser seems to have, in the course of his research, developed too much of an affection to his subject, which makes some of the passage - in which Fraser breaks objectivity to mount defenses of his subject against certain criticisms he deems unfair from other historians - difficult to read, particular An excellently written and thoroughly researched biography of the famous Desert Fox, Fraser's Knight's Cross is both informative and accessible to the lay reader. This review has been hidden because it contains spoilers.

Knight's cross : a life of Field Marshal Erwin Rommel

His plans work flawlessly and his troops were able to disarm their once ally and prevent thousands of Italian soldiers to turn on them in battle.

Knight's Cross : A Life of Field Marshal... book by David Fraser

The book adequately reflects the making of Rommel along with his tactical brilliance in managing some of the best campaigns in World war 2. Rommel's appeal is the fact that he was a 'good' man and an incredible general fighting for Nazi Germany. He's a rigid military commander who enforced strict discipline yet to his own troops he was a beloved father figure and role model.

Knight's Cross: A Life of Field Marshal Erwin Rommel: Fraser, David: 9780006383840: perssongroup.materialsproject.org: Books

Fraser was certainly no master with the pen, but his research was thorough and his style straightforward and precise.

Knight's Cross: Life of Field Marshal Erwin Rommel, a : Fraser, David: perssongroup.materialsproject.org.au: Books

Boring book about everyone's favorite Nazi.
