## Writers and their Typewriters

After publishing several short stories in the late 1950s and early 1960s, he began composing the for which he is best known today: V. Δεν ξέπει

γιατί το διαβάζει, τί είναι αυτό που περιμένει ο συγγραφέας από τον αναγνώστη. He plays jacks but does not let the narrator join the game.

### **Postmodern Novels and Novelists**

Postmodern novels are often described as — that is, they center on the nature of fiction itself and are written as though fiction is independent of society, reality, and any realm outside itself.
