## 11 Signs That Your Child May Need a Therapist

**Imaginary Friends and Toddlers** As your toddler's make-believe play develops, introduce versatile, basic playthings that are less obviously the kid version of something in the real world. Some of the boys were raised in middle-class homes with parents whose major sin was not abuse but paralysis in the face of their terrifying child. There are many types of play: symbolic, sociodramatic, functional, and games with rules—to name just a few.

## The Power of Play

This reflects an interior impulse toward harm.

## Playing With Your Child

Caldwell and Van Rybroek have no idea. She tells me that she pretended to kill her stuffed animals.

## Your Child's Social and Emotional Development

Grab some toys that can safely go in the water, fill up a bucket and let the fun begin.

## Pretend Play

Caldwell mentions that, two weeks ago, one patient became furious over some perceived slight or injustice; every time the techs checked on him, he would squirt urine or feces through the door.

## Play

At the San Marcos Treatment Center, Samantha is wearing her new yoga pants from Target, but they bring her little joy. As young men yell expletives, banging on the metal doors of their cells, and others stare silently through their narrow plexiglass windows, I think, This is as close as I get to Lord of the Flies.

## **Benefits of Play for Child Development**

You can make food for a school event. If punishment were going to rein them in, it would have by now. Does he even know at this point? Kitchen drummer Turn over safe, shatter-proof bowls, pots and pans to make a set of drums straight from your kitchen.

## **Google Play & your child's Google Account**

Your baby may respond to his or her name at this age, should respond to the emotions in your voice, and enjoy seeing his or her reflection in a mirror. If you introduce digital media to children ages 18 to 24 months, make sure it's high quality and avoid solo media use.
