The basic physical forms and their evolution are reviewed in the context of the rapid growth of train travel. From the great terminals of London, across the world to Auckland, New Zealand; from Toronto's Union Station to the grand and crumbling Retiro Station in Buenos Aires - vastly different architectural forms are displayed and presented chronologically.

Growing up in Brooklyn with what he describes as a 'tough guy' of a father, Bruce Gilden developed a love of the streets, often calling them his 'second home'.

Recent Acquisitions in Russian Publications

. At first glance this masterpiece, conceived as a magnificent gateway to the growing metropolis, offers no hint of the civic, financial, and legal battles surrounding its development, its site, style, and construction - battles that were waged across the early 20th-century and went as high as the U.

His subjects engage directly with the camera, and the photographs are all taken with permission.

Recent Acquisitions in Russian Publications

The unique energy of the streets mesmerized Bruce, an energy that can momentarily expose something inside people that generally stays hidden. But when Gilden first stepped foot in New Orleans, he found himself in 'a pagan dream where you can be what you want to be.'
