Dawson's Creek: The Main Cast's Ages Then And Now

February 2009 Darren Crosdale's Dawson's Creek: The Official Companion Kansas City, Missouri: Andrews McMeel, 1999 , thoroughly chronicles the show, but only covers events through to the end of the second season. James is missing from six episodes, Michelle Williams does not appear in 10, and Joshua Jackson is absent from four. Meanwhile, Pacey plays a trick on new girl Andie, but later finds himself the victim of her revenge trick on him.

Dawson's Creek TV Review

In the beginning of the series, lifelong best friends Dawson Leery James Van Der Beek and Joey Potter Katie Holmes avoid the obvious romantic tension between them as the arrival of new girl Jen Lindley Michelle Williams shakes up their dynamic. I also understand why Joey partly slut shamed Jen from the start Joey was jealous, and then when Joey finally got her chance with Dawson Jen tried to get him back. They leave that morning happy about the time they spent together and are left to ponder what is in store for them.
