We seek then to take right action and conduct ourselves in ways that mirror the harmony of the Divine. The world we want to live in is within our power to create with our thoughts and actions. When we recognize our personal impact on others, compassion arises and global kindness is the natural result.

What is the Meaning of Lokah Samastah Sukhino Bhavantu?

It takes us from the egoic, little self, and its limited world view, and radiates from us global wellbeing. I love this focus on self-love! The currents transmute the limitations of linguistics and become tools for power. This vibrational legacy was once reserved for initiates alone.
