### Radio In The 1930s

Carl Spaatz, the new Chief of Staff for the U. In 1934 WXYZ joined with the

powerful 50,000-watt stations WLW in Cincinnati, WOR in New York, and in Chicago to form the Quality Group, an association that was soon rechristened the. At that point most radio stations decided that playing music was a lot cheaper than supporting a news staff to find, write, and report news.

### Free Old Time Radio Shows from The Golden Age of Radio

Parents and children would gather around the radio to hear the latest installment of their favorite show, hear the latest news and enjoy a variety of big band, classical and country music. The tally resulted in an estimate of the number of people listening to a particular show; a rating of 14. But the end was at hand.

### Sounds in the Air: The Golden Age of Radio by Norman H Finkelstein, Paperback

George Washington University, Lisner Auditorium, Washington DC, Dec. It was not until decades later that vacuum tubes were replaced by transistors and integrated circuits. He was an excellent writer and had a deep, dramatic voice.

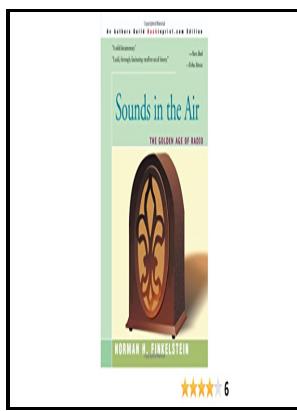

### Books About the Golden Age of Radio

His descriptions of the earliest efforts of Guglielmo Marconi, Reginald Fessenden and other inventors bring those brilliant men to life and clearly explain the complex science involved.

### Tuning in to the end of radio's golden age, 50 years ago

The CBS radio network, which had just started, was having a hard time competing with NBC. A new era in radio dawned with this broadcast.

### Sounds in the Air: The Golden Age of Radio by Norman H Finkelstein, Paperback

Filesize: 8.71 MB

It was the golden glow of that dial, day or night-- but by far better at night. Typically, these early radios also had large speakers that provided rich bass, and large loops of wire wound around an internal drum that served as an adjustable antenna for receiving distant stations. Pictured with him are Master Sgt.

### **Free Old Time Radio Shows from The Golden Age of Radio**

This transition wasn't helped by the fact that, although possessing rich and dramatic voices, some radio personalities didn't photograph well.

### **Books About the Golden Age of Radio**

From left are USAF Band Adjutant Lt. Murrow and others like him during that era had an uncompromising sense of what constitutes legitimate news. Strangely, part of this period was during the great depression in North America when people were doing without most luxuries, and even a few seeming necessities.
