Even when people are employed, their salaries may not be adequate to afford decent housing or to allow accumulation of savings, living paycheck to paycheck. This group includes more than 200,000 people 37 percent of the overall population. The chapter argues that earlier research is based on limited evidence and has neglected to examine gender.

Why America Can't Solve Homelessness

Fourteen have seen their numbers increase between 2 and 72 percent over that period. One consequence of the reasonable accommodations provision of the Fair Housing Act is that local jurisdictions cannot limit the number of homeless persons with disabilities who live in supportive housing, such as group homes.

Why America Can't Solve Homelessness

The American Planning Association and its Chapters should take a leadership role in educating planners and local government officials about the fair housing implications of local land use regulation.

Homelessness

Reason to support: Federal support for the housing sector has been uneven, especially, in addressing the affordability challenge confronting many lower-income households. These root causes are inter-related and, for our unsheltered neighbors, each factor listed below is often compounded by the others.

Homelessness Assistance Programs

Sixty percent of all people experiencing homelessness are male. America's Homeless: Numbers, Characteristics, and the Programs that Serve Them. How to Apply The Homeless Assistance program is administered through CalWORKs at the county level.
