### Pictures of Jesus & Jesus Art Work by Child Prodigy Akiane Kramarik

The great men are ranged in a timeless tableau in the manner of James Barry's 'Elysium', the sixth wall painting in the series in the Great Room of the Society of Arts mainly executed between 1779 and 1783. The outstanding exterior frescoes, illustrating scenes from the Old and New Testament, were completed in 1534 during the reign of Petru Rares, a glorious time in the era of religious murals.

Now I am a co-founder of Akiane Arts School at Foreli Academy, where we are now enrolling students. In 1935 they were sold at auction, where they are supposed to have fetched under seven pounds, although no record survives. Although only some parts of The Hymn of the Dead and the legend of the Prodigal Son can still be seen on the southern wall, the church is nonetheless impressive, especially due to its mosaic roof and belfry tower.
