## Obstetrical Nursing

Published in: The Tate Gallery 1984-86: Illustrated Catalogue of Acquisitions Including Supplement to Catalogue of Acquisitions 1984-86, Tate Gallery, London 1988, pp. T03925 is the third section of a six-part work with introduction , the 'Post-Partum Document' 1974-8, consisting of one hundred and thirty-five small units. I THINK THAT DISTINGUISHING BETWEEN TINY AND BIG AND RECOGNIZING NOTHING IS BRILLIANT.

## Obstetrical Nursing

Kelly's archive has been acquired by the Getty Research Institute in installments: the first comprised of materials from the late 1960s until approximately 2002, followed by materials from 2002 to the present. Now, more than twenty years later, the Document's initial challenge to conceptual art and its impact on the emerging discourse of sexual difference have taken on a new significance.

## Mary Kelly, Post

VO: A major component of Post-Partum Document is the development of the child's sexuality, and this section documents the stage in the child's development when he or she begins asking questions about anatomy and the different roles of men and women SUPER: View from the couch in Sigmund Freud's treatment room SUPER: Freud's collection of objects VO: A compendium of relics and texts, Post-Partum Document directly references Sigmund Freud's activities of collecting and displaying antiquities and other objects. And it was also related to another rather important strategy for me, which was how to do this without a conventional image of the mother and child. In addition, there are detailed analytical texts that exist in parallel to the objects.

## Post

The Complete Work, Generali Foundation, Vienna 1998. Mary Kelly born 1941 Post-Partum Document.

## Obstetrical Nursing

Integrating the work of Lacan to render a displacement of hegemonic standards for women, Kelly interrogated the role of the mother as caregiver and domestic laborer by complicating the functions of the mother, notions of an essential femininity and the representations of both.

### **Obstetrical Nursing**

Taking hot baths and showers will help with engorgement because it causes the milk to flow. Anyone who has been in the unpleasant position of changing a dirty nappy will know that normally your first instinct is to get it as far away from it as possible.
