These technical documents include ships covers, ships books, contracts and specifications, plus miscellaneous material from the Department of Naval Construction. Usually they will also manage the installation and see the product to completion.

### Soldiers Records

Age on attestation is recorded in different ways in the enlistment books. Would you like advice on the perfect gift or the best items for your dining table? Wherever you are in the world do please get in touch with us: info museumofchildhood. Characteristics of the country are the green hills, clovers, harps and leprechauns.

### An Post

For example: '31' means the soldier was 31 years old when he completed his enlistment. How the museum functions within the community is vitally important to us, as is ensuring that the voice of the child is present from Planning through Implementation to Open Museum.

### Heritage Ireland

On the whole exhibits were clear and given the Covid situation everything was socially distanced with few visitors and staff disinfecting the exhibits at regular periods.
