### Primate family tree

Look at your mom or dad. For most non-human primates, play is critical for developing social bonds and social skills.

### New World Monkey List

Well written in that it kept me up longer than I should have been finishing it but too well written that it made me wish that one of the characters would just break, call it quits so I could feel some sort of satisfaction Marriage to someone you do not like is torture. I was glad to be done with the book just so I wouldn't have to keep these people in my life. The opening scene -- in which the husband runs over a feral hog and the wife finishes him off -- is a masterpiece of psychologically insightful black comedy.
