Pre- and post-natal specialist trainer and mum Charlie Barker provides you with all the information you need to exercise safely and effectively throughout your pregnancy and the first 6 weeks after birth. For this second edition, in the interests of making more of the information from the first

edition available to a wider group of users, the electronic database has been recoded to bring more consistency to the information structure, to the order of presentation of information, and to the way reversals are handled so that users can more intuitively find the information they are after.
