Although the paintings are all of a similar style and outlined in red-ochre similar to the nearest rock paintings found at Tsodilo Hills they seem to have been done by different groups of people. There is great wildlife action around every bend in the road! Nights tend to be humid and warm, often not dropping below 20°C.

### **African Safari Reading: Books, Field Guides, Wildlife, Travel Guides**

The bush is starkly beautiful, green only around the banks of rivers, with brachystegia species, mahogany and others coming into leaf.

### **Botswana Photo Tour**

In August it is not uncommon to find a leopard draped in one of the massive Mashatu trees. Safety All guides and back up riders are well trained — extras are sent as necessary.

### **Ultimate African Horse Safari**

Probably a collector's item if you can locate a copy. There are long distances between parks, lodges, campsites, and towns, so travelling by road can be time consuming. THE VIC FALLS BUSH TELEGRAPH our Bi-Monthly E-Newsletter Each issue has a destination update, loads of information about conservation and wildlife, specials offers, traveller tips, community projects, website highlights and tons more.
