Because ... mm ... in arguments and upsets ... I value myself a lot less than I should.

State of Regulation in England: From the General Social Care Council to the Health and Care Professions Council

IMPLICATIONS FOR ESTABLISHED PERSON-CENTERED AND EXPERIENTIAL THERAPIES A pluralistic reading of person-centered therapy does not, in any way, challenge the value or legitimacy of other perspectives and practices within the PCE field. HPC regulation could only be justified if the benefits could be shown to outweigh the drawbacks.
