Ezechiel CHAPTER 28:13 Note: the gem named sardius is the ruby; jasper is a multi-hewed gem from rock; its green form resembles an emerald and its gold tones, the topaz; chrysolite is a variant of topaz and or peridot, a light, translucent green gemstone; beryl is a crystal-like small gemstone of varying colors, and the carbuncle is a gemstone of reddish-gold hue. Artifacts recovered included a rare board game piece, copper-alloy rings and Anglo-Saxon coins from both Northumbria and Wessex.

### Wielkopolska

I am not willing to accept that this is the new normal. From the throne came flashes of lightning, and rumblings and peals of thunder, and before the throne were burning seven torches of fire, which are the seven spirits of God.,

Abjean puts it, one feels that the benevolent love of God shines forth most clearly on earth through his friends—the saints. The Bullán lies beside a Medieval church, but it was probably in use for many centuries before the church was constructed at the site. The early embankments were non-defensive, being only one metre high, and it is uncertain how much of the site they encircled.
