Y-20A is also expected to be converted into a tanker replacing the obsolete H-6U. In particular, we are expanding our outreach to our neighbors to strengthen democratic institutions by showing how greater access to the political process, a government free of corruption, and strict adherence to human rights can improve the lives of average citizens. To cite one example, a few weeks ago it was announced that the Venezuelan armed forces would be switching over to the Chinese olive-drab uniform, and that certain elements of Chinese doctrine would be incorporated into the Venezuelan armed forces.
