## Eight ways homes can be allowed in the Green Belt

The general extent of Green Belts across the country is already established.

## Eight ways homes can be allowed in the Green Belt

This usually only applies to single dwellings on large sites remote from existing settlements. We are taking action at the local, regional, and state levels to impact policy and advocate for climate SMART decisions that shape the future of the Bay Area.

## Green belt information

In late March the Government published the much heralded NPPF. It includes, for example, large areas that already have development on them.

## A Practical Guide to Development in the Green Belt

Green Belt serves 5 purposes: a to check the unrestricted sprawl of large built-up areas; b to prevent neighbouring towns merging into one another; c to assist in safeguarding the countryside from encroachment; d to preserve the setting and special character of historic towns; and e to assist in urban regeneration, by encouraging the recycling of derelict and other urban land.

## A Practical Guide to Development in the Green Belt

All thanks to equitable solutions drawing on the powerful role of nature. A town planner can help you through this process, take a look at our blog on and our download on. Local Planning Authority The authority entitled to make a particular planning decision.
