### 14.1: Introduction to Money and Banking

Later, in ancient Greece and during the Roman Empire, lenders based in temples made loans, while accepting deposits and performing the change of money. HISTORY: It concerns the development of means of carrying out transactions involving a medium of exchange.

### Principles of Macroeconomics 2e, Money and Banking, Introduction to Money and Banking

One area is rich in wood, for instance, while another supports animal grazing or crop production. THE CORRUPTION OF REDEEMABLE PAPER MONEY AND THE DEVELOPMENT OF FIAT MONEY The original paper receipts that early bankers gave to those who deposited their gold or silver had no intrinsic value. Lawrence Wilson © January 2016, L.

### Principles of Macroeconomics 2e, Money and Banking, Introduction to Money and Banking

These do not really compete with Federal Reserve notes, as their use is limited to one or a few communities. They keep reserves to the extent told by RBI.

### Money and Banking Introduction: Qualities of Good Money, etc.

As with education or health care, only through choice can people decide what serves them best.

### Ch. 27 Introduction to Money and Banking

A RETURN TO SOUND MONEY Returning to a sound money system is a high priority, though most people have never even considered the idea because our system limps along and most people have little understanding how the system functions.
