### Margaret Green

Margaret Green, who has died aged 78, was a woman of singular style, talent and conviction. In the deceptively innocent paintings of Bulmer and Green from this period, there may lurk a sense of the need to claim freedom from menace.

### Lionel Bulmer

Margaret Green 1925-2003 NEAC, Walberswick Ferry, circa 1965, Oil on Board, H 39 x W 49 cm It would have been wrong not to include a work depicting Warbleswick as together with neighbouring Southwold it was a place they loved for several decades and I, for one, totally agree with them in that.
