## THE IMPORTANCE OF RECORDS/RECORD KEEEEPING IN PRIMARY SCHOOLS

Barriers to inclusion in playgrounds Barriers to inclusion in play for the focus children were identified as organisational, social and physical. Defective Curriculum: The old curriculum of primary schools was defective. Often teachers find there is no happy medium when it comes to , according to the Kids Health Guide.

### Real School Issues That Negatively Impact Learning

However, there is growing concern that, internationally, curricular time allocated to physical education is not meeting statutory guidelines.

### Playtime is crucial for a child's development

This sort of development is unhealthy and undemocratic A process of equalizing opportunities in primary education has to be attempted at various levels. If pupils who behave badly are treated differently, or in their eyes unfairly, they will become confused of their boundaries and unsure of what is expected of them.

### Best in class: 25 inspiring school improvement ideas

ADVERTISEMENTS: This is especially true of girls who have to assist the over-worked mothers at home.

### The Importance of Break Time or Playtime in Primary School

If they did, I promise that you would have heard about it by now. Inclusive environment will benefit the child in several ways.
