The Social and Ecological Crises of Capitalism

You have to accept the consequences of the choices you make.

The coronavirus, social bonds and the 'crisis society'

Atlas Shrugged was Rand's last completed work of fiction; it marked the end of her career as a novelist and the beginning of her role as a popular philosopher. Health professionals and parents alike must be attuned to the special needs of the high-risk premature infant; moreover, NICU staff must support parents in their efforts to cope with the intense emotions that follow pre-term birth.

The social, political and moral crisis of anti

It does incorporate some statements about Indigenous Australians but these are minimal. This paper presents research which I have undertaken with Carolyn Noble from the University of Western Sydney for more than five years.

Existential crisis

Rediscovered in the 1960s, these films were re-edited into a new version which was approved by Rand and re-released as in 1986.

6 examples of social media crises: What can we learn?

Where there is such a violation, private parties should be held liable for having brought about the situation where the affected individuals are unable to meet their needs. What Can Parents Do to Encourage a Sense of Control? Political systems that were supposed to represent everyone now return governments of millionaires, financed by and acting on behalf of billionaires. In the former case, we had the expropriation of the mass of the people by a few usurpers; in the latter, we have the expropriation of a few usurpers by the mass of the people.

Erik Erikson's Stages of Psychosocial Development

Throughout this section, I shall use the references to crisis in the landmark Grootboom case decided by the South African Constitutional Court as

an illustration of these meanings and to provide empirical context and depth to the analysis. The state also has a responsibility to ensure that there is no interference by other private parties with the ability of individuals to use their socio-economic resources to meet their basic interests.

Coronavirus: How can philosophy help us in this time of crisis?

Its judgments always presuppose the first principle of practical reason, the obligation to do good and avoid evil. Crisis of death and mortality An existential crisis can also strike after.
