National and International Meetings and Events

The new date for the meeting is set for April 10-13, 2022. Each issue delivers well-documented, thought-provoking articles on clinical, social, and technical advances in the field.

Audiology Worldnews

Our Society has strong affiliations with local audiology associations across the globe and has a powerful network of accomplished world authorities and professionals that are passionate about sharing their knowledge and learning for the benefit of people with hearing loss.

Home

We would like to thank you for your excellent work to prepare your abstracts and presentations, organize sessions for the meeting. Kind regards, Organizers of the XXXV World Congress of Audiology.

Hearing International

The ISA supports global development and success in International Hearing Healthcare.
