11

Eighty four thousand residents of two hundred eighty thousand who did not return reside in Atlanta. The social cause of this is that staying within your home county allows you to maintain social groups and employment opportunities not otherwise available. Alternative views presented by one of the top 5 engineers of all time, who ranked along with the likes of Leonardo Da Vinci had a different view.

## 5 Year Strategic Plan 2017

Census Bureau, along with violent crime rates in the Cleveland area, the study concluded that income does have a correlation with a higher use of deadly force by the Cleveland Police Department. We are skilled in specialized construction projects such as K-12 schools, community centers, higher education facilities, healthcare centers, parks and recreational facilities, food service and dining areas and public institutions. They are also the reason Northeast Ohio receives tens of thousands of visitors and tourists every year who bring money into our region... RoldoLINK No! He works collaboratively with contractors and subcontractors on-site to ensure the design intents are met and to resolve any issues that may arise.

11

We provide, promote, and broker access to responsive and responsible investment capital, as well as, development services to build and strengthen neighborhood markets.

**Cleveland Public Library TechCentral — Tec Studio Inc.**

Although attempts were made by the mayor to encourage the return of residents, many did not wish to return based on the uncertainties of the planning process and no guarantee that residents could return permanently. Children are invited to create their own art to take home at the Family Art Park, or they may create art to leave for others to enjoy at the Chalk Walk.

### **Village of Bratenahl Criteria Architect/Engineer Services as Owner**

Weekends must be included as well. Both neighborhoods are similar in their racial makeup and class status; this suggests that the rebuilding process is based on who is helping what areas.

#### **Cleveland**

These are the activities and people who make our city so vibrant. However, this targeting of reinvestment could create problems if there is not significant spillover into the surrounding neighborhoods.

#### **Holdings: Dpal Gsañ ba sñin po'i rgya cher 'grel pa =**

His design experience includes work on residential, industrial, commercial, transportation, enhancement, and municipal public works projects.

### **Village of Bratenahl Criteria Architect/Engineer Services as Owner**

The driving force behind the decision was the ability of BIM to enhance our design and collaboration abilities with all disciplines.
